# Convocation

SUNDAY, MAY 12, 2024

College of ACES

## **PROCESSION**

Sycamore Brass Quintet

## **WELCOME & INTRODUCTION**

### **OF DEAN**

Anna Ball

*Associate Dean, Academic Programs*

## **REMARKS & RECOGNITION**

### **OF DEPARTMENT HEADS**

Germán Bollero

*Dean, College of ACES*

## **CONVOCATION SPEAKER**

Doyle Karr

*Alumnus of Agricultural Communications*

## **RECOGNITION OF JAMES SCHOLARS & BRONZE TABLET**

Anna Ball

## **PRESENTATION OF DEGREE CANDIDATES**

Food Science & Human Nutrition

Nutritional Sciences

Metropolitan Food & Environmental Systems

Agricultural Leadership, Education & Communications

Agricultural & Biological Engineering

Crop Sciences

Animal Sciences

Human Development & Family Studies

Natural Resources & Environmental Sciences

Agricultural & Consumer Economics

## **CONFERRAL OF CANDIDATES**

Germán Bollero

## **Alumni Remarks**

Trudy West

## **CLOSING REMARKS**

Anna Ball

## **HAIL TO THE ORANGE**

Sycamore Brass Quintet

*Hail to the Orange, Hail to the Blue, Hail Alma Mater, Ever so true. We love no other, So let our motto be, Victory, Illinois Varsity!*

## **RECESSION OF FACULTY & GRADUATES**

## CONVOCATION SPEAKER

### DOYLE KARR

*Alumnus of Agricultural Communications*

Global food and agriculture strategist Doyle Karr has been at the forefront of creating innovative programs to advance understanding between farmers and consumers. Growing up on a small livestock and row-crop farm in central Illinois, Karr was the only one of his parents' 19 children (the 16th) who aspired to a career in agriculture.

Karr began his career as a field editor for Wallaces Farmer magazine in Iowa and Prairie Farmer in Illinois before joining Pioneer Hi-Bred in 1989. He held several communications roles for Pioneer before becoming director of global communications in 2004, a job he held for 10 years while also serving as the public affairs lead across DuPont's agriculture and nutrition businesses. He was director of biotech public policy for DuPont until its merger with Dow. He then served as director of consumer insights and food systems engagement at Corteva Agriscience, the agriculture spinout from the merger. When global controversies over GMOs peaked, he led company and industry efforts to engage the public. Karr left the corporate world in 2022 to start a consulting business, helping clients in food, agriculture, and healthcare.

Karr is a member of the Board of Trustees for the Keystone Policy Center and volunteers with numerous initiatives, including fundraising campaigns for the College of ACES. He received the College of ACES Award of Merit in 2019. Based in Des Moines, Iowa, he and his wife, Tamara Rood, have two grown children, William and Anna Karr.

## Academic Dress

Academic dress, consisting of cap, gown, and hood, originated about the twelfth century, and was worn primarily for warmth. Subsequently, the material of the gown and the lining, and shape of the hood, represented the economic, social, and academic status of the wearer.

In the United States, the great majority of the academic costumes now worn are in accordance with the general provisions of the Intercollegiate Code of 1895, which was revised in 1932 and again in 1960. Under this code, the bachelor's gown has pointed sleeves, the master's gown has oblong sleeves with an arc at the bottom, and the doctor's gown has bell-shaped sleeves. Black is the traditional color for gowns, although at the University of Illinois at Urbana-Champaign, academic dress has been designed specifically for the Institution: blue gowns with orange accents and blue mortarboards.

The bachelor's and master's gowns are untrimmed. The doctor's gown is faced down the front with velvet and has three bars of velvet across the sleeves. The facing and bars may be black or blue, as is the case at Illinois, or may be the color of the subject to which the degree pertains. The bachelor's gown is worn closed; the master's and doctor's gowns may be worn open or closed.

The bachelor's hood is 3 feet in length; the master's, 3 1/2 feet; and the doctor's, 4 feet. Hoods are lined with the official color or colors of the college or university conferring the degree. At Illinois, the lining is orange and blue. The colored velvet border of the hood, which is 2 inches, 3 inches, and 5 inches wide for the bachelor's, master's, and doctor's degree, respectively, identifies the faculty or field of study to which the degree pertains.

The mortarboard cap is standard in the United States. Usually, all tassels are black, but where the bachelor's graduates do not wear hoods, as at Illinois, the color of the cap tassel indicates the department of study. Candidates for degrees wear tassels on the right front quadrant of their caps and move them to the left front quadrant after degrees are conferred. Caps are considered a part of the costume and are customarily removed only during an invocation or benediction, and then by men only. The orange and blue braided cords worn from the left shoulder by bachelor's graduates signify University Honors.

The Jewel of Office worn by the President was presented to the University of Illinois Alumni Association. It is emblematic of the Office of the President and is worn at all formal academic ceremonies. On the gold collar, also worn by the President, are engraved the names of the Presidents of the University and their years of service. For all academic purposes, including trimmings of doctor's gown, edging of hoods, tassels of caps, and linings of banners, the colors associated with the different disciplines are indicated below.

ACES - Maize	Law - Purple
Applied Health Sciences - Sage Green	Liberal Arts & Sciences - White
Architecture - Blue-Velvet	Library Science - Lemon
Business - Drab	Media - Crimson
Education - Light Blue	Philosophy - Dark Blue
Engineering - Orange	Social Work - Citron
Fine & Applied Arts - Brown	Veterinary Medicine - Gray
Labor & Employment Relations - Drab	

*\* The tassel is worn on the right-front quadrant until the degree is conferred.*
